Online Radio Interview August 20!!

BookTV email campaign

I am trying to find a way to get on BookTV/CSPAN. July 29 they broadcast a Religious Right author presentation from a Houston Church - not even a bookstore.

I have contacted BookTV but only crickets reply. If you are willing to send a note encouraging them to provide an me an author interview to discuss the book on the BookTV or their blog, please send emails to booktv@c-span.org

I am very excited to share that I will be live on **Open Minds Open Hearts** Online Radio on August 20th 8pm EST (6pm MST), so mark it on your calendars!!! Please spread the word to listen in, call in, support the book, and support this radio show for asking me on. If you have read the book, I urge you to call in and share your impressions of the information and the book itself. Don't make me beg, because I will if I have to.

Cover. Consider giving it as a gift if you already have a copy for yourself.

In Colorado Springs, Hooked on Books still has a copy or two for sale. Poor Richards is evaluating it - so let Marie Poole, the bookstore manager, know you would like to have it in their bookstore. BARNES AND NOBLE stores: We have started the process to get the book evaluated and into the actual brick and mortar B&N stores. Keep your fingers and toes crossed!

My kingdom for a blogger!

Leah Burton at the blog "God's Own Party" has highlighted the book on her "Must Reads" section (<http://godsownparty.com/blog/7-must-read-books-dominionism-in-america/>). I really appreciate the exposure.

I am still looking for bloggers who would like to either review the book, do an interview, or have me do a guest blog post regarding the book. Do you know any bloggers up to the challenge? Ask your favorite blogger if they would be interested and point them to my website. I appreciate all of your support and encouragement. We are making a difference.

ATTENTION TWITTER USERS: If you have a twitter account, I would really, really appreciate it if you could send a tweet for the book. Here is a sample tweet:

You can help in several ways. You can
1) request your newspaper do a review of the book in their entertainment section,
2) ask your library to order a copy,
3) ask bookstores in your area to carry the book,
4) if you have read the book, please write a review online of the book.
5) Tweet about the book
I am still taking video reviews of the book, checkout the website for details.
